Our Mission:

To make our customers successful

Founded in 2005, CMCI is a Small Disadvantaged Business (SDB) and VA SWaM certified. CMCI has been at the forefront, delivering technology-driven enterprise initiatives in the public and private sectors. By leveraging innovative, cutting-edge technologies, CMCI provides customers with some of the most advanced capabilities seen in the federal technology space. CMCI utilizes state-of-the-art technologies to provide and support IT delivery modes that operate in an agile, cost-effective, reliant, and resilient manner by helping our customers successfully meet their strategic goals and objectives.
